MERCURY ENGINE OFFERING

F150 - 200 V6 - 225 V6

The D65 stands out by its sleek design and sheer lines giving it both a sporty and classic look. The looks of the boat go hand in hand with its performance: with up to 225 hp supplied by the new line up of Mercury engines, the boat becomes a true joy to pilot and offers excellent handling, even for the most demanding boaters.

UNCOMPROMISED SECURITY

- Ergonomic helm with instrumentation and optional 9" Simrad GPS.
- A hand rail on the cockpit back seat ensures maximum safety.
- Deep cockpit guarantees security for kids and adults when seating or moving around the boat.
- Mercury ensures a sporty and reliable handling with up to 225 hp.
- Easy walking access from bow to stern even when the cabin door is open.

FEATURES & BENEFITS

VERSATILE COCKPIT

- Superior design and onboard comfort for up to 7 people and overnight accommodation for 2 adults.
- Versatile cockpit area, suitable for cruising, dining and sunbathing
- Cockpit aft seat is ideal for relaxing and reading.
- Extra-large cockpit sun lounge offers easy and direct water access when deployed.
- Double co-pilot seat with bi-directional seat backrest, ideal for cruising and socializing.

COMFORT ABOARD

- Spacious cabin comfortably sleeps 2 adults
- A unique deck layout that guarantees convenient access to both the cabin and the foredeck. The foredeck steps, located on portside, free up space in the center of the boat and make the installation of a large cabin door possible.
- The U-shaped cabin seating can easily be turned into a comfortable double berth that sleeps 2 adults to spend the night aboard: measuring 2m x 1,77m, it offers even more storage space on the sides. The opening portlight and deck hatch also provide light and ventilation into the cabin. The cabin can be foreseen with an optional sea toilet.

LEADING FEATURES

1. Deck with hatch
2. Anchor storage and step-out area via the bow
3. Wide steps to access deck
4. Stylish windshield and ergonomic helm station.
5. Integrated armrests and cup holder
6. Semi-transparent sliding cabin door
7. Versatile cockpit area suitable for 1. Cruising and dining, 2. Relaxing and reading with the inclinable backrest, 3. Sun lounge and extended sun lounge with easy water access
8. Pilot bolster seat
9. Double co-pilot seat with bi-directional seat backrest and optional refrigerator
10. Dedicated fenders storage or galley
11. Cockpit hatch for easy access to underdeck components
12. Deep cockpit to ensure children's and adult's safety when moving around the boat
13. Integrated canvas storage
14. Plenty of convenient storage throughout the boat
15. Large swim platforms and motor well
16. Swim ladder
17. Single engine configuration up to max 225 hp
