

Break away for a day trip or a weekend on the water. The D70's deep cockpit and full windscreen keep you and your passengers safe and dry during the ride. Inside, the cabin's wide windows offer the best views you'll ever find in a 7-meter boat. Customisation is key. The cockpit area offers 3 configurations, several packs allow for significant upgrades of the boat's accessories and there's a whole range of Mercury engines available.
