

The Uttern S59 is a versatile day boat for both functional and fun trips. Its centre console provides ample space to tuck away luggage, groceries and other purchases, or a picnic to stay out on the water all day. With an overall length of 5.84 metres, the S59 comfortably sits 6 people. This means all options are open: take your partner on a romantic trip, bring the kids along or invite a couple of friends. Do you want to go boating regardless of the weather? Add the optional sprayhood with enclosure to your configuration. It creates a fully enclosed cockpit area.
