

Small is beautiful? It will be hard to disagree when you take a look at the Uttern T53, the latest addition to our T series. With an overall length of 5.23 metres, this boat is the smallest one in our bow rider family. But it is one that knows how to punch well above its weight, thanks to its fuel tank capacity and powerful engine configuration.

SPECIFICATIONS

| | | | |
|--|------|--|------------|
| Overall Length (m) | 5.23 | Maximum power (hp / kw) | 115 / 85 |
